## *Show and Tell*

Scheduled is the outstanding Aerospace Corporation's "Asians in America" photo display that Society members Munson Kwok and George Yee helped put together as part of the Corporation's Asian-Pacific Heritage Week observance.

Also some of the photos the Society has taken or acquired during the past years will be shown. Several projectors will be used to show the sound-slide show, "Chinatown Los Angeles, Yesterday & Today" and "Lang Station" for those who have not seen these. (By Request.)
