1931 MEI WAH CLUB 1981

Speaker: BARBARA JEAN WONG LEE

This year the Mei Wah Club is celebrating its Golden Anniversary. It is the oldest active Chinese American Women's Club in Southern California. Barbara Jean will describe the events that led up to its formation of this unique club. Starting with athletics, the club expanded into relief fund raising during World War II to philanthropic activities of today. Many of yesterday's Mei Wah girls are today's community leaders.

Barbara Jean is a past president of the Mei Wah Club. A stage and screen veteran, she was the voice of Amos' daughter on the Amos 'n Andy radio show for nine years. Barbara Jean will use slides in her presentation.
