## GREAT NEWS!! EXCITING NEWS!!

A CHALLENGE FOR THE MILLENIUM .....

THE LIGHT AT THE END OF THE TUNNEL .....

A RAINBOW ON THE HORIZON .....

"It's always darkest before the dawn", so goes the old saying. Now the dawn seems to have come for the Society. CHSSC has been given a major donation of **\$100,000** to help pay off the existing mortgage on the Heritage and Visitors Center located at 411 and 415 Bernard St., Los Angeles. The donors will remain anonymous for the time being (at their request), but they did state that their offer will be in the form of a "challenge fund" – a 2-for-1 deal. And there is a time limit – by the year 2000, or a short time beyond. Otherwise, the society may lose the donation when it reverts back to the donors.

Realizing the significance of the society's goal of discovering and preserving Chinese American history, the donors stated that their main purpose for this donation -- and a very generous one, we might add -- was to "make a difference" to a worthwhile cause. In this case, it would help the Society to finally have a place to call its own, without major encumbrances, -- place where its members could continue to fulfill its goal of bringing awareness of the Chinese American heritage to the present and future generations of all Americans. This, in turn, will bring a greater understanding of the struggles and hardships endured by the early Chinese pioneers.

At the October Board meeting, the officers unanimously approved the proposal given by the donors, and were enthusiastic about the Society's ability to meet the challenge. Let's hope this enthusiasm is contagious to all members and friends of the Society.

So, -- is this a "chance of a lifetime", or what? Lightning may not strike twice this time -- so let's
