## Huy Fong Foods Factory Tour

On October 11, 2014 the Chinese Historical Society of Southern California, Chinese American Citizens Alliance and Chinese American Museum had a joint field trip to the legendary Huy Fong Food Factory. A great time was spent with David Tran, creator of the popular Sriracha chili sauce and CEO/founder of Huy Fong Foods Inc. The group experienced how the renowned sauce is made: from chili pepper delivery, unloading, sorting, washing, grounding, mixing, filling to packaging. The plant's streamlined production lines produce 18,000 bottles of Sriracha chili sauce per hour.

## Wei-Chuan, Inc. Supports Portraits of Pride

The Chinese Historical Society of Southern California's Portraits of Pride mission and purpose is:

1. To fill the "Missing in History" gap left by Chinese Americans;
2. To deepen and increase awareness of the positive contributions of Chinese Americans;
3. To identify role models for our younger generation;
4. To build upon and extend the work done by *Portraits of Pride I* and upcoming CHSSC projects;
5. To broaden and extend the Portraits of Pride "Free Library Book Program"; and
6. To support and mentor succeeding generations of Chinese American historians.

On October 21, 2014, a media conference was held to acknowledge the company's \$50,000 donation to the Portraits of Pride (PoP) program. With all of Wei-Chuan's board members present, and at least half dozen cameras focused on LP Leung, director of PoP, he explained how and why the Portraits of Pride book project was created.

The conference was telecasted live to other branches of their company in cities including Jersey City, NJ, Houston, TX, Chicago, IL, San Francisco, CA, Murfreesboro, TN and Atlanta, GA. This gave their representatives from those branches an opportunity to participate in the event and direct questions to LP.

Euene Moy was also present and he gave a short speech on the purpose of our organization, CHSSC, and how their donation to the PoP project is being used—to distribute the PoP books to school and public libraries across the country.

After some photos were taken, including one of Steve Lin, President of Wei-Chuan, Inc., and LP holding a gigantic \$50,000 check, attendees of the event were served egg rolls, pork buns and Wei-Chuan's famous pork dumplings.

life persist in modern culture. *Yellow Peril!* is the first compre-
